

Find Your Ring Size

Three ways to find a ring size at home. This sheet only works if it prints at actual size, so choose 100 percent in your print settings and turn off any option called Fit to page or Scale to fit. Then check the card outline.

SCALE CHECK

Lay a credit card here

It should fill this outline edge to edge.
If it does not, reprint at 100 percent.

50 mm (just under 2 inches)

METHOD 1

Match a ring that already fits

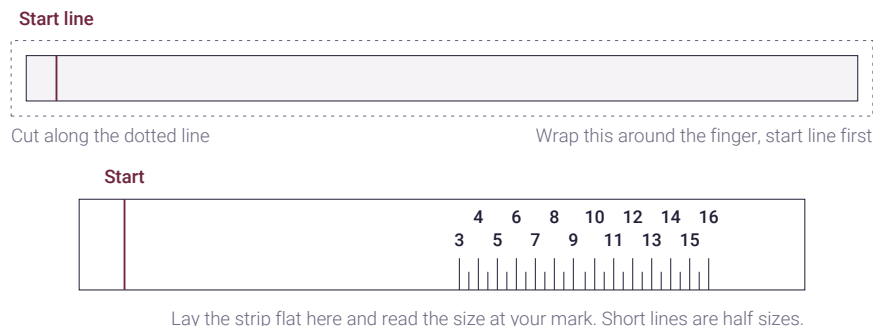

Use a ring worn on the same finger. Lay it over the circles. The inside edge of the ring should sit right on the line. The number under each size is the inside diameter, measured straight across. If the ring lands between two circles, go with the larger one.

METHOD 2

Wrap a strip of paper

- 1 Cut out the strip below, or use any strip of paper about a quarter inch wide.
- 2 Wrap it around the base of the finger, snug but not tight, and make a pen mark on the strip where it crosses the start line. If the knuckle is larger than the base of the finger, wrap over the knuckle instead.
- 3 Unwrap the strip and lay it flat on the scale below with the start line at Start. The number closest to your mark is the ring size. Short lines are half sizes. Between two? Choose the larger.

METHOD 3

Have a ruler? Measure the inside of a ring

Measure straight across the inside of a ring at its widest point, edge to edge. Find the closest number here.

SIZE	INSIDE DIAMETER	SIZE	INSIDE DIAMETER	SIZE	INSIDE DIAMETER
3	14.1 mm	7.5	17.7 mm	12	21.4 mm
3.5	14.5 mm	8	18.1 mm	12.5	21.8 mm
4	14.9 mm	8.5	18.5 mm	13	22.2 mm
4.5	15.3 mm	9	18.9 mm	13.5	22.6 mm
5	15.7 mm	9.5	19.4 mm	14	23.0 mm
5.5	16.1 mm	10	19.8 mm	14.5	23.4 mm
6	16.5 mm	10.5	20.2 mm	15	23.8 mm
6.5	16.9 mm	11	20.6 mm	15.5	24.2 mm
7	17.3 mm	11.5	21.0 mm	16	24.6 mm

A FEW THINGS THAT CHANGE THE FIT

- Fingers are larger at the end of the day and in warm weather. Size in the evening if you can.
- Wide bands fit tighter. For a band 6 mm or wider, go up a half size.
- Hands are not identical. Size the hand and finger the ring will actually be worn on.

Still not sure? Bring the ring, or the finger, to us.

Stop by 406 Main Street in downtown Boonville and we will size the finger while you are here. Trying on is free. Engagement Ready rings can go home the same day. Bring the ring back when you know the size and we will size it. The first sizing is free.
